He will speak of the Varrock Herald Newspaper, but you will need to expose him by stating you know he is a member of the gang. This person will get two certificates, and he/she have to give the second certificate to his friend. If you want to join the Phoenix Gang, then head to Baerek. The Shield of Arrav OSRS quest sees players learning of a stolen shield from the museum of Varrock. Tell him that you want to join his gang. Starven replies that you first have to prove your loyalty to join the gang. You will go to the house of an opponent gang. You will also receive 600 coins, and you can also claim 5 Kudos if you speak to Historian Minas in the museum. He replied that he has no quest to offer but you may find a quest in the book named "The shield of Arrav". Open it and search it. First, tell him that you know who they are. What you will be instructed to do is steal from the Phoenix Gang, specifically asking you to get two of their crossbows. You or your friend have to give his/her/your part of the Shield of Arrav. By doing so you will receive two copies of half the certificate, in exchange for half of the shield. Otherwise, it would be impossible for you to complete the quest by yourself, as you are required to trade the certificates with someone in order to complete the quest. If you have lower combat levels then you should join the Phoenix Gang, whereas the Black Arm Gang is better if you aren't looking to increase your combat levels. Difficulty: Novice Length: Short Members only: No Reward: Start: Reldo in Varrock Castle. Once you have read it, speak to Reldo again and ask him where you can find the Phoenix Gang. When you have it, go east of the Phoenix Hideout [map], and climb upstairs. Phoenix Gang 3. Talk to Reldo again.

4. Go to Barak, which is standing on Varrock Marketplace. Then, head to the Curator in Varrock Museum, east of Varrock Castle [map]. If you want to choose either, then head to Varrock's Library in Varrock Palace and speak to Reldo. Speak to Straven when you get there and ask if you can join. Either, you can join the Phoenix Gang, or you can join the Black Arm Gang. Find this book in the book case. Go downstairs and talk to Straven. Give her the crossbows to become a part of the Black Arm gang, then head upstairs in the hideout. You will also need 20 coins for Phoenix gang and two Phoenix crossbows for the Black Arm gang, the latter of which can be found within the quest. You will be tasked with tracking the shield down and returning it to its rightful place. Ending the Quest 8. Now, find your friend again. He will ask for 20 gold first then he will let you know. Over in the south-west corner is a chest, which contains half of the Shield of Arrav, so take it. 5. Now, find your friend in the Phoenix Gang. Talk with Katrine, tell her that you know that it's the black arms gang, then say that you don't want to reveal your secrets. Joining the Phoenix Gang If you want to join the Phoenix Gang, then you will need to find Barak in Varrock's centre at the fur stall. Go straight to the weapon supply and there you will find half shield. Check the cupboard, and you will find one half of the Shield of Arrav, so take it. You get the crossbows successfully and Katrine welcomes you in their gang. You are free to enter any room of their gang base. Ask him if there is something down the alleyway, and he'll tell you about the Black Arm Gang. In this guide, we will outline the following: Quest requirementsStep-by-step guideQuest rewardsThe solo method So let's take a look at what will be required for you to start and complete the quest. Head to the red exclamation mark on your map to find the hideout, and climb the ladder once inside. This will give you access to the hideout, and you will be given the Weapon Store key which you will be required to give to your partner in the other gang.

4. Head to the large house behind the Tramp [map]. He will then confess that its located in the south-east corner of Varrock. 2. Now, search the bookcases where you are, and when you've found the book, read it and decide which side you want to join. Follow the walkthrough for the gang you want to join in the next steps. Pick up the scroll, and head back to the Phoenix Hideout and talk to Straven again. With that said, you will be given a task to earn her trust. He will inform you that it is the Black Arm's hideout, so head down and enter the building. 9. Now, go to Varrock Castle and talk with the king to get your reward. Ask him whether he knows where you can find the phoenix gang. Speak to Katrine to let her know you are aware of the gang's existence, though you can't give your source away. If it's not in the cupboard, search the chests and boxes until you find it. You won't be able to obtain the crossbow without killing the Weaponsmaster, so make sure you do so before trying to pick them up. You will search for the cupboard and will find the other half piece of the shield there. Be sure to have at least 20 GP with you know, else he will not tell you anything. In order to do so, you are going to need to have your partner to be a part of the Phoenix Gang. Your partner will then receive the other half of the certificate, so trade with your partner the other half of the certificate. He will then task you with killing Jonny the Beard, who can be found at the bar in the south of Varrock. Then, the friend that just got a certificate, have to talk to the Curator. Just pick that up. Got to Katrine, the member of Black arms gang. Needed items: 100 gp should be enough. A weapon master in level 23 will attack you, simply kill him and pick up two crossbows. You can then take the key to the hideout to the south-east. Then move yourself into the house of Starven. He will tell you of a book within the library, which you can find on a top shelf with a blue and white book. 7. Enter the hideout, and go to the south-east of it, and open the chest. However, this particular outing only requires you to find a partner to player with using the official clan chat. 5. Now, head to their hideout, which is south in Varrock [map]. Pick that up from the cupboard. Now teleport yourself to the museum of Varrok, you will meet curator Haig there. Shield of Arrav OSRS Solo Method If you are going to attempt Shield of Arrav solo, then the only way to do so is to make a second OSRS account and use it to join the other gang. Not knowing where to find them, Reldo suggests you speak to Barak in Varrock Square. If you have already spoken to Charlie the Tramp by the southern gate, then you can join the Black Arm Gang. He'll tell you that he doesn't know anything about the Phoenix Gang, but that Barak can tell you something. Hand over both pieces to him and he writes two certificates for you to claim your reward in front of the King. Also, you'll need a friend to do the quest with (from the other gang)! Walkthrough 1. Go to the castle in Varrock, to the library in the north of it, and talk with Reldo. 7. Enter the hideout, go upstairs, and find the cupboard. You will need to find a member of the opposite gang of the one you decide to join to co-operate with you. Ask him if he have any quests for you. You'll need to bring back two Phoenix Crossbows to her. Read the book and then look for phoenix gand. Teleport yourself to another location in order to meet Barak. The person with the parts needs to give it to the curator. Use the key and climb the ladder inside. Speak to him about the Phoenix Gang and though he will refuse at first, you can change his mind with 20 coins. Then, tell him that you'd like to offer your services. By doing so, he will drop a report, so take it and give it to Straven. King Roald will give you the rewards that you deserved. More OSRS Quests: After you have slayed him, take two Phoenix crossbows and head back to Katrine. Then say that you want to become a member of their gang. Black Arms Gang 3. Talk to the Tramp south in Varrock, just by the southern entrance. You need the key that he/she has to the Storage Room. Then tell her that you're up for a challenge. You'll now get the key to the Phoenix Gang Weapon Storage. Tell her that you want to join their gang as a new member. Quest Requirements There are usually a lot of cases in OSRS quests where a lot of items and skills are required. Shield of Arrav OSRS Quest Rewards Congratulations on completing the Shield of Arrav OSRS quest! For doing so, you will be given one Quest Point. In order to do so, you are going to need a friend to help you complete this OSRS quest. Give him the 20 gold and then he will tell you the exact location of the phoenix gang. Go to the location that Barak has told you. You should now both have a full certificate, so you will need to take it to Varrock Palace and give it to King Roald to finish the quest. 6. Now, head to the Varrock inn [map] and kill Johnny the Beard (level 2). 6. Head back to the Black Arms Gang hideout, talk to Katrine, and you'll give her the crossbows. Give this intelligence report to Starven and then he will welcome you in his gang and provide you the key to their weapon supply. Keep asking him questions to get the most available information out of him. Once you have achieved this, you will have to get them to give you the Weapon Store key that will be given to them by their respective gang. Shield of Arrav OSRS Quest Guide If you are looking to join the Black Arm Gang, then you can kick off the quest without any requirements, as you can just speak to Charlie the Tramp and ask him what was in the alleyway. She replies that if you can steal two crossbows from the phoenix gang weaponry, then they can trust you. As far as beginning the quest goes, there are a few things you need to consider beforehand. You will find a small room just south of the rune shop, with a locked door. The Varrock Museum you now need to head to Varrock Museum and take your half of the shield to Curator Haig Halen. He is a member of the Phoenix gang. Kill one of their members and get the intelligence report.
